We are authorized to announce JOHN L. HUBBARD as a candidate before the Board of Commissioners for the office of Superintendent of Public Schools of Lawrence County.

FOR POLICE JUDGE.

We are authorized to announce HENRY WISE FRANKS as a candidate for Police Judge of Louisa.

Rev. Dr. Sundeland received a \$100 fee for tying the matrimonial knot for Mr. Cleveland.

Mayville Saturday, by a popular vote, subscribed \$50,000 to the Mayville and Big Sandy railroad, now being constructed by Mr. Huntington.

Senator Keena, of West Virginia, has consented to serve as Chairman of the Democratic Congressional Campaign Committee. He should have accepted in the first place, without any juggling over it.

Hon. K. F. Prichard and Judge W. C. Ireland were at Grayson Monday, addressing the people of Carter county in behalf of Judge Brown.

As the days go by we hear still less of the opposition formerly offered to Judge Brown, and in its stead come evidences of his growing popularity.

It is said that Judge Ward will have an opponent for reelection in the person of Hon. J. J. Nesbitt, of Bath County. Mr. Nesbitt was one of the strongest members of the last Legislature, and is a lawyer of established reputation.

The Khud of Persia has granted concessions to ex-United States Minister Winston for the construction of railroads between Teheran, the capital of Persia, and Bushire and Meshad, near the Afghan frontier, with such branches as may be necessary for the development of business along the main lines. Mr. Winston has twenty years in which to develop the riches of Persia, which is better than being United States Minister.

Hon. C. Bascom, of Bath county, has announced himself a candidate for Congress in this the 20th district. Mr. Bascom has represented his county in the Legislature, besides holding public trusts in his county, and should he receive the nomination and be elected will make an able representative in the National Congress.

The Owensville Outlook, in presenting his name to the Democracy of the district has to say concerning him: "A gentleman, both by breeding and by instinct, and a nobleman by nature, he commands the respect and esteem of all who know him, and the unbounded admiration of his intimate friends. Added to these qualities is a cool, unerring judgment to discern the right; and no one ever had more boldness to maintain it."—Buckeye Democrat.

If Lawrence County intends to have a candidate for County Superintendent of Public Schools it is time one was announced. It was intended by the framers of our County Constitution that the people have our School Superintendent elected by the Commission, but in the light of subsequent legislation the State Superintendent has decided the people must elect. In sober truth, however, if matters very little whether we nominate a candidate for him. A people who would elect such a man as the present incumbent deserves to be compelled to endure him. School matters in Lawrence is a disgrace to the state but the enlightened voters brought this condition upon themselves. The Superintendent is the choice of a majority of our people, and the majority should govern. We understand that the election is left to the people. Dr. Wooten will not be a candidate.

The opinion prevails at Washington that if the bill in question be passed before the House it will be passed by a decisive vote—some of its friends claim by a two-thirds majority.

Well, why can not this bill be passed fairly before the House? To legislative bodies the minority occasionally defeats the majority by filibustering or trickery. The committee in charge of the bill may be packed against it, and decide to report in proper time. The President's office may be against the bill and his rulings obstruct its passage.

The Senate, by a decided majority, swelled by the votes of leading Democrats, is on record for this beneficent measure. The House, by a test vote on taking the bill from the control of a committee, which had shown itself inimical to the measure, declared itself for the bill. The people are for it; and its friends in Congress have only to stand fast, and it will sooner or later become the law of the land—Commonwealth.

NATIONAL NEWS.
WASHINGTON, D.C., June 10, 1886.

To the Farmers of Kentucky:
As you are aware, we are engaged in an earnest far-reaching effort to regulate the manufacture and sale of imitations of butter. We have

succeeded in passing our Bill through the House of Representatives after a most desperate fight against us by the bogus butter people. The question affects every owner of a cow in the country. The result of our effort means the salvation of the dairy industry. If there exists every farmer in the land.

Our Bill has been reported to the Senate, where we won a victory in its behalf yesterday on the question of reference to the Committee on Agriculture. Senator Dick of your State opposes us with all his power and influence. He does not seem to understand that the farmers of Kentucky want this measure. I therefore urge that every farmer in the State write Senator Beck, requesting him not to oppose the Bill but to support and vote for it, and do this at once, please. We already have the names of hundreds of thousands of farmers to petition praying for the passage of this Bill. Very respectfully yours,
JOSEPH H. BEALL,
President American Agricultural and Dairy Association.

A CAPTAIN'S FORTUNE TELLER.
Capt. Coleman, ex-Union Army, living between A. Lane, Ky and N. Y., had been troubled with a cough so that he was unable to sleep, and was induced to try Dr. King's New Discovery for Consumption. It not only gave him instant relief, but the extreme cough in his breast. His children were similarly affected and a single dose had the same happy effect. Dr. King's New Discovery is the standard remedy in the Olden Time, and on board the ship.

Be Warned

In time. Kidney disease may be prevented by purifying, renewing, and invigorating the blood with Ayer's Sarsaparilla. When, through debility, the action of the kidneys is perverted, these organs rob the blood of its needed constituent, albumen, which is passed off in the urine, while worn out matter, which they should carry off from the blood, is allowed to remain. By the use of Ayer's Sarsaparilla, the kidneys are restored to proper action, and Albumen is restored.

Bright's Disease

Is prevented. Ayer's Sarsaparilla also prevents inflammation of the kidneys, and other disorders of these organs. Mrs. Jas. W. Weld, Forest Hill st., Jamaica Plain, Mass., writes: "I have had a complication of diseases, but my greatest trouble has been with my kidneys. Four bottles of Ayer's Sarsaparilla made me feel like a new person; as well and strong as ever." W. M. McDonald, 46 Summer st., Boston, Mass., had been troubled for years with Kidney Complaint. By the use of Ayer's Sarsaparilla, he not only

Prevented

the disease from assuming a fatal form, but was restored to perfect health. John McLaughlin, cor. Bridge and Third sts., Lowell, Mass., writes: "For several years I suffered from Dyspepsia and Kidney Complaint, the latter being so severe at times that I could scarcely attend to my work. My appetite was poor, and I was much debilitated; but by using

AYER'S Sarsaparilla

my appetite and digestion improved, and my health has been perfectly restored."

Misses Thurga, Lizzie and Mary

cinnati.

One day last week Mr. Rigdon

invited some friends to accompany

him on a trip to the well now being

bored by him on Horse Ford branch

of Big Blaine. The invitation was

accepted, and early Saturday morn-

ing Dr. and Mrs. Wroten, Miss

Emma Pierson, Miss Minnie Wro-

ten and Mr. Rigdon, in a comforta-

ble vehicle, behind a good span of

horses, started for the well. The

route was by way of the ridge road

nearly to the Falls of Blaine, thence

across the hill to the well—distance

from Louisa about eleven miles.

Arriving safe at the well an hour or

more was spent in watching the

process by which Mother Earth is

persuaded to give up her treasure

of gas and oil. The operation was

entirely new to most of the party,

and the work was clearly explained

by Mr. Rigdon, who was indefatig-

able throughout the entire trip to

cater to the comfort and enjoyment

of his guests. Leaving the well the

party repaired to the residence of

Deputy Sheriff John H. Thompson,

whose good wife had, on very short

notice, prepared an elegant dinner.

Those who know the gentlemen of

the party can easily believe that

they, at least, did ample justice to

the bountiful meal; and, if the

truth must be told, the ladies show-

ed a keen appreciation of the many

good things spread before them.

After a rest of an hour or two the

party started for home, reaching

Louisa about seven o'clock, feeling

that they had passed an enjoyable

day, and wishing that their counte-

rious host might strike a gas well

having a flow of a hundred and

fifty billion cubic feet per hour.

The Literary Entertainment at the

Rink Opera Hall on last Friday

evening by Messrs. Harry Brown

and Lew W. Woodworth, drew a

large and appreciative audience of

ladies and gentlemen. It was an

enjoyable entertainment and quite

a surprise. Young Woodworth in

his rendition of those difficult se-

lections, "Fra Giacomo," "Wolsey's

tauntments during their vacation.

They are gentlemen, and we do not

hesitate to commend them to the

public and to our brethren of the

press.—Point Pleasant Register.

They will appear at Drake's Hall

to-night.

The need of merit for promoting

personal esthetics is due to J. C.

Ayer & Co., whose incomparable

Haar Vigor is a universal beautifier

of the hair. Harmless, effective,

agreeable, it has taken rank among

the indispensable articles of the

toilet. To scanty locks it gives

luxuriance; and withered hair it

clothes with the hue of youth.

There is entertainment as well as

instruction in the following extract

from an interview of the Washing-

ton correspondent of the Louisville

Times with Representative Willis.

The nomination of a Democratic

candidate for Congress in the

Louisville district was referred to:

"What will the Democrats do?"

"That I don't know," replied Mr.

Willis. "I suppose they will act in

time."

Mr. Willis went on to say: "If

the Postoffice fight is to be made

the issue in my race every man that

has been spoken of for Congress

among the Democrats is in the

same boat with myself. There is

not one of them that has not recom-

mended the appointment of Repub-

licans to office, not one of them,

and I have their letters to that

effect. There will be some lively

times when the matter is set up for

explosion."

"Do you mean to say," I asked,

"that they have asked for the

appointment of Republicans

straight out, or their retention in

office they already hold?"

"The appointment of Republicans

straight out, every one of them."

"Carib," I said.

"Yes, Carib; and there is not a

man of them mentioned as a prob-

able opponent in the race that has

not written me a cordial letter since

the Postoffice row was settled."

This throws a flood of light, so to

say, upon the inconsistency of

Democrats who set themselves up

to control Federal appointments or

seek important offices for them-

selves, and are loudest in demand-

ing, "Time the reveals out."

Today there are thousands of

Republicans in Federal offices who

are there by the favor of Demo-

cratic members of Congress.—Com-

monwealth.
